

## Scholarship Information

At College Greenlight, we love to share opportunities with our wonderful community of counselors and advisers. We are writing to let you know about an exciting scholarship program for your students (note: the application deadline is approaching quickly!).

Our partner Elmhurst College is pleased to announce the second year of their American Dream Fellowship Competition, a scholarship competition to support the enrollment of first-generation college students. Last year Elmhurst had a group of outstanding applicants - check out their videos here! <http://bit.ly/2SJe54W>

All first-year admitted students who are first-generation college students are invited to participate in the competition, which will consist of two rounds:

Round 1: Due January 18, 2019

Submit a video (no more than 3 minutes long) on the topic:

As a first-generation student, what would graduating from college mean to you and your family/friends?

Round 2: President's Day - February 18, 2019

This day students will attend the second round of the competition at Elmhurst College from 1:00-4:00pm (families are encouraged, but not required to attend)

This event will include an interview with each student and an opportunity to hear from a first-generation featured speaker, a student panel of Elmhurst College first-generation students, and a panel discussion for parents. Round 2 concludes with an awards ceremony hosted by Elmhurst College President Troy D. VanAken, a first-generation college student himself.
