Statewide Survey on Driver's License Suspension

Many of you know that driver's license suspension is a huge burden on job seekers, who often lose their license simply because they can't pay fines or fees. We're working to change that, and we need your help.

Please share this Driver's License Survey with your program participants or clients. The survey is open until **January 20**. Here are [survey instructions](#) with everything you need, including English and Spanish versions. This survey will help us understand first-hand experiences of license suspension, and help us make the case for change in Springfield. Contact [Eric](#) with any questions.
