

## Group Facilitation: Key Techniques For Effective Practice

As a facilitator, have you ever struggled to hold a group's attention, keep them on pace with your agenda, or manage a disruptive participant? Luckily, there are some key skills you can develop to improve your facilitation and keep your group on track! Through this full-day course, you will learn about key techniques, both personal and professional, for improving your facilitation skills. And, we will engage in various interactive activities and discussion to help you enhance your facilitation technique.

### Topics covered include:

- Defining group process and its benefits for the job readiness classroom
