APRIL 28, 2018

Giving DuPage began the DuPage Human Race, so charities of all sizes, could host their own 5K fundraiser event, without dedicating staff time and resources. The race celebrates, honors and creates awareness for 70+ participating charities in one 5K event. Join us on April 28 to reach our goal of 1,900 runners & walkers raising \$135,000 for participating charities.
