

Dear friends,

We are very excited about this year's Holly & Hope Holiday Luncheon on Wednesday, November 29!

This warm annual tradition helps People's Resource Center ring in the holiday season, as we bring friends together and raise support for DuPage neighbors in need who turn to PRC for food, clothing, job training and services.

The Holly & Hope Holiday Luncheon is a great way to introduce your friends and colleagues to the PRC family. It would be wonderful to see you there! More information is available online, including tickets and sponsorships opportunities, at this direct link<<https://secure.acceptiva.com/?cst=b5dccb>>.

Thank you so much for your support, on behalf of the nearly 30,000 neighbors who turn to PRC each year. If you have any questions, please don't hesitate to give me a call.

We hope to see you there!

Debbie

[People's Resource Center]
