

DuPage JATC Now Hiring Summer Helpers

Do you know someone who is interested in gaining valuable experience in the construction industry and a boost toward future acceptance in an apprenticeship program?

The Joint Apprenticeship Training Committee of DuPage County (DuPage JATC) is seeking individuals who would like to participate in the “**Solar Summer Helper**” program. The duties include material movement and handling, loading/unloading equipment, and jobsite cleanup related to solar system materials. Participants selected will have the opportunity to provide support to experienced electricians, and he/she will receive an evaluation after completing their summer job that can be used when applying for trade apprenticeships.

DuPage JATC is committed to expanding opportunities for all DuPage residents and enhancing diversity.

Requirements:

Must be 18 years of age or older

Photo ID required

Must pass a drug test

Must be able to lift 25 lbs. or more

Rate of Pay: \$17/hour

The solar projects are currently running through October 31, 2020.

See the attached flyer for additional information.

Please feel free to share the attached flyer.
