

Goodwill Workforce Connection Center-workshops

Briefly, I want to reach out to all the WSCJ members to remind members that the Goodwill Workforce Center is willing to come to your location to provide workshops for your clients. I can make myself flexible and address many topics, of course Resume Writing and Interviews Skill, but also:

- Positivity in the Workplace
- Employability
- Communication
- Transferable Skills
- Providing Good Customer Service
- The First 90 Days
- Addressing Issues in the Workplace
- Conflict Resolution
- Attitude
- Rejoining to workforce

To name a few topics...

Please let me know if you want to discuss a possible workshop series at your location, for free.

Thanks!

Anna
