

YWCA METROPOLITAN CHICAGO INTRODUCES

THE CATALYTIC VENTURES: CAREER FELLOWSHIP!

What if you could enroll in a class that - when complete - there are employers waiting to hire you? **Would you enroll?**

What if you could take these classes with no money up-front, no financial aid loans and not have to pay for it until you find full-time employment? **Would you enroll?**

Now, what if you could get the following certifications:

Information Technology - A+/Network+/Sales | Transportation, Diagnostics and Logistics
Construction | Green Sustainability Industries

Would you enroll now?

If you answered YES to any of these questions, we're looking for you!
If you answered YES to ALL of these questions -

WELCOME TO THE CATALYTIC VENTURES: CAREER FELLOWSHIP !!!

Enroll in CVCF and receive:

Professional certification training

One on One Empowerment Coaching to support you through training

Career Coaching to match you with the right employer partners who are looking for you

Mentorship in your occupational interest area

SIGN UP NOW FOR THE AUGUST 5TH INFORMATION SESSION!!!

To learn how to jump start the career of your dreams and how the Catalytic Ventures: Career Fellowship can help you can register for the Virtual Online Information Session at ywcachicago.org/event/catalytic-ventures-career-fellowship-information-session/
