

Gateway Information

A new website has been developed to assist in job searches! Whether you are a new job seeker, career changer, or experienced professional, the comprehensive Job Seekers' Guide will provide access to the online tools and resources for your career.

The website is: www.gatewaytocareers.com/jobseekers-guide

Or if you need more information:

A new website has been developed to assist in job searches! Whether you are a new job seeker, career changer, or experienced professional, the comprehensive Job Seekers' Guide will provide access to the online tools and resources for your career. Each section of the website covers a critical aspect of a job search:

- Building a foundation
- Assessing yourself
- Exploring Careers
- Creating a plan and setting goals
- Expanding skills
- Finding a job
- Moving forward
