

## College of DuPage waiving admissions application fee

As part of the College of DuPage's response to the global COVID-19 outbreak, we are currently waiving our application fee for new students <https://cod.edu/admission/index.aspx>. If you know anyone who is interested in enrolling at the college, this is a great time to do so. Even if they don't plan on attending next semester, you only have to apply once and are considered a student for life.

Thank you for your email. Please note from March 17 through April 19, we have limited staff and faculty on campus, and are continuing to perform assigned duties remotely. Students should check with their professors for information on how instruction will be delivered. Students should also monitor their dupage.edu e-mailboxes and Blackboard for additional information. College leadership continues to monitor the coronavirus situation and will adjust the institutional response as circumstances warrant. COD campus updates can be found at cod.edu. We appreciate your patience during this challenging time.
