

Double Your Impact By Donating to CJC Today

**GI  ING
TUESDAY**

Together we give.

Nov 28, 2023

Today is the day! Will you support Chicago Jobs Council (CJC) with a financial donation to help us reach our \$5,000 Giving Tuesday goal? **All new and increased donation amounts will be matched by an anonymous donor.**

Your donation will support the following work in the coming year:

- **Learning & Development:** Through public and customized trainings, learning cohorts, and communities of practice, CJC cultivates an environment where workforce development professionals can learn and share their best practices in the field.
- **Research & Innovation:** Through engagement with members and partner organizations, CJC keeps a pulse on important themes and trends, connecting the dots to develop curriculum, tools, and resources that advance the workforce development field.
- **Changing Systems:** Through partnerships with community and systems leaders, CJC engages with stakeholders to facilitate changes that lead to a more equitable workforce development system.

But we cannot advance this work alone. **We need your support to continue bringing critical tools and resources to the workforce development field.**

Here are three ways you can support CJC this season:

1. Interested in creating a lasting legacy of change? [Make your donation today!](#)
 2. **Membership with CJC is another way to support our work**, and make an even deeper impact on the workforce development field by helping to shape policies and forging meaningful connections with other frontline practitioners. [Click here to learn more about membership.](#)
 3. You can also support CJC by sharing this email with your friends and family, and telling people why you support CJC. **All new and increased donation amounts will be matched by an anonymous donor.**

With your support we can make this the best Giving Tuesday to date.

"[CJC's] countless opportunities to participate in workshops as not only a learner but as a guest speaker has given me a wide array of tools to help me grow professionally and personally. For PODER and I, networking has played a huge role in the success of my outreach and my ability to forge great partnerships with other amazing organizations. For that, I am truly grateful." - Griselda Piedra, Community Relations Manager at PODER
