[View this email in your browser](#)

If you are a part of the workforce development ecosystem, you know that **our workforce development system is flawed**. Jobs rarely serve the people they should and many existing policies are rooted in racism. In order to change this, **Chicago Jobs Council (CJC) is reimagining the workforce development ecosystem through the lens of racial equity**.

Join us **tomorrow, February 22, 2023 at 2 PM CST** as we discuss our new **Anti-Racist Workforce Development System Framework** with the Chicagoland Workforce Funder Alliance (CWFA), and share how interested organizations can partner with CJC to work towards an anti-racist workforce development system.
