

PARTICIPATE IN OUR WORKFORCE STUDY!

Illinois Partners is conducting a sector-wide study to explore funding, the impact of COVID-19, staff turnover, and workforce demographics. We need your help in collecting critical data so that we present a full and accurate picture of the scope of workforce issues for health and human services in Illinois.

Instructions and a list of requested information can be found [here](#). We estimate 3 hours of active work time will be needed for a moderately sized organization to compile and complete the survey.

If you have any questions, please email [sur...@illinoispartners.org](mailto:sur...@illinoispartners.org).

Thank you!
