

**workNet DuPage** job coaches are subject matter experts on virtual interviewing and job search techniques. We recently hosted a virtual interviewing workshop [here](#). Attached are more webinars we are hosting and we are including all the replays on our website [here](#).

We are considering modifying our supportive services policy for individuals who do not own a laptop computer but need one to complete online training. We have not done so yet but I will keep you posted.

We are happy to help with a virtual interview workshop if needed. Just let me know.

Best,  
Amy
