

TRANSPORTATION

Transportation has consistently been a problem in the suburban area. Traveling for medical attention, social services, education and employment can be challenging. Many resources for senior citizens are available from your municipality, park district, townships or the county and are listed on the following pages.

RIDE DU PAGE

Many townships, cities, and villages operate or subsidize transportation services for seniors and people with disabilities. **Ride DuPage** is a program that will combine many of those services into one, easy to use system. **Ride DuPage** began coordinating transportation services for a few programs and communities in July 2004. More have been added, with more to come.

For specific information about services available in your local community, see the grid starting on page 131, or contact **DuPage County Senior Services at (630) 407-6500, 1-800-942-9412**, or your local city, village hall, or township office. If you are already registered for **Ride DuPage** through one of the sponsoring agencies, you can call them directly to set up rides at **1-800-713-7445**.

The DuPage County Paratransit Program, a Ride DuPage sponsor, offers curb-to-curb transportation to county residents who meet low-income guidelines. Travel is provided to medical appointments within DuPage County, to Hines Veterans Hospital, DuPage County Health Department locations, and DuPage County Human Services at 421 N. County Farm Road, Wheaton, IL. Eligibility guidelines must be met and applicants must pre-register. There is a charge of \$4 each way to the 421 and 111 N. County Farm Road Buildings, all other destinations are \$1.50 for the first 6 miles, then \$1.50 each additional mile. To register, seniors should call **DuPage County Senior Services at (630) 407-6500 or 1-800-942-9412**.

Senior Transportation Grant is funded through the Older Americans Act and is administered by DuPage County Senior Services. Transportation is provided by **Ride DuPage** (see previous page). Eligibility is determined on an individual basis with emphasis given to low income frail elderly who do not qualify for or cannot afford other transportation programs. Rides can be provided to medical appointments, nutrition sites, adult day centers or banking. For more information, please call **DuPage County Senior Services at (630) 407-6500**.

THE DU PAGE COUNTY PILOT II PROGRAM

Pilot II is a subsidized transportation program utilizing taxi cabs to provide services to senior citizens and people with disabilities. The program allows participants to purchase coupons at a discount from sponsor agencies. Arrangements for the taxi ride are made directly with the cab company. Individual sponsoring agencies will decide the eligibility requirements and the specific rules for the participants they will subsidize. Those interested must enroll through a participating sponsor agency. See Transportation grid on page 119 for participating sponsors. Lift-equipped vehicles are available. For further information, please call **DuPage County Human Services (630) 407-6500** or **1-800-942-9412**.

ILLINOIS DEPARTMENT OF HUMAN SERVICES (IDHS)/FIRST TRANSIT

Provides rides to medical appointments for seniors and disabled persons receiving Medicaid benefits. To arrange transport call **1-877-725-0569** with your Medicaid ID number, date, time, location and phone number of medical appointment, no less than 24 hours in advance.

REGIONAL TRANSPORTATION AUTHORITY (RTA)/PACE

PACE (Suburban Bus Division of the RTA)
550 W. Algonquin Road, Arlington Heights, IL 60005
(847) 364-7223
(847) 364-5093 (TDD)

Pace has two programs, which offer curb-to-curb services in DuPage County. These are:

Dial-A-Ride Services provide transportation for senior citizens, persons with disabilities, and in some cases, the general public. These services may be available through your Local Township or municipality. See Transportation Grid on page 131 for specific information.

ADA Paratransit Service provides transportation to people with disabilities who meet regional eligibility criteria. Registration is completed through the RTA. ADA Paratransit Service is only available in areas served by fixed route services. To apply for **ADA (Americans with Disabilities Act) and CTA Paratransit** call **(312) 663-4357** or **(312) 913-3122 (TTY)**.

The Regional Transportation Authority (RTA) is responsible for registration and determination of eligibility for PACE Regional ADA Paratransit Services. The RTA can also tell you where you can register for the ADA Paratransit ID card. Eligible riders may travel with one companion at no additional charge. If space permits, more than one companion may accompany the passenger, but are required to pay the full fare. All trips must be scheduled at least one day in advance.

SENIORS RIDE FREE PROGRAM allows seniors aged 65 and over living in the RTA service region (Cook, DuPage, Kane, Lake, McHenry, and Will counties) free transit on fixed-routes operated by the Chicago Transit Authority (CTA), Metra and Pace. Riders must have either a Senior Reduced Fare Card or the new Senior Ride Free Smart Card. Call **836-7000 from any area code** or visit **www.rtachicago.com** for registration sites. You will need a government-issued picture I.D. that verifies your age and a photo of yourself that is 1 1/2 inches square. Some sites are able to take your photo, but may charge \$5 to do so.

RTA Reduced Fare Permit allows senior citizens 65 years and older, veterans with 100% service related disability, Medicare card holders, and qualified disabled persons to ride all CTA buses/rapid transit, PACE buses and Metra trains for half the full fare. Permits are valid for four years and take approximately 3 to 4 weeks from date of application to receive. To apply, call the RTA Travel Information Center at **(630) 836-7000** or **(312) 836-4949 (TTY)** for the registration center nearest you.

To determine if ADA Paratransit or Dial-A-Ride services can transport you to a specific destination, call **(847) 364-7223 (Pace Suburban Bus)**.

License Plates and Drivers License Discounts – If you qualify for **Circuit Breaker** (see Page 35), you can save \$54 on license plate fees. Also drivers, age 69 and over, pay a reduced rate of \$5 for their drivers license, which is good for four years. Drivers age 81 through 86 receive a two-year license for only \$2. Those 87 and older are tested annually and the license is free. For additional information call the **Office of the Secretary of State, toll-free, at 1-800-252-2904**.

I-PASS Assist – I-PASS is the Illinois Tollway’s electronic toll collection system. An electronic I-Pass transponder, which is mounted on the windshield, allows tolls to be automatically deducted from a pre-paid account as you drive through a toll collection station.

The Illinois Tollway authority offers a discount for some individuals unable to afford the standard up-front cost of I-PASS. Those enrolled in the **Circuit Breaker Program** or on **Medicaid** can apply. You must present a valid ID, such as an Illinois Driver’s license as well as verification that you are enrolled in one of these programs. I-PASS assist costs \$20, which includes a \$10 deposit and \$10 in pre-paid tolls. These can be purchased at the Tollway Customer Care Center, 2700 Ogden Avenue in Downers Grove, Monday through Friday between 7:00 a.m. and 5:00 p.m. For more information call **1-800-824-7277**.

Automobile Insurance Discount – Legislation requires insurance companies to give a discount on automobile liability insurance premiums to drivers age 55 and older upon completion of an approved defensive driving program. To find insurance companies who honor this discount, contact the **Illinois Department of Insurance, (312) 814-2427**, or **www.idfpr.com**.

DRIVERS EDUCATION AND SAFETY

Statistics indicate that older adults are safe drivers. However, medical conditions, medication usage and reduced physical and mental function can increase the risk of

accidents and injury. The following resources are available to help assess, educate and advise older drivers.

State of Illinois Rules of the Road Classes – Prepares seniors through a review of the Rules Of The Road manual for their Illinois Drivers exam. The course is free of charge. For registration and class information contact the State of Illinois at **(217) 782-8893**, or **www.cyberdriveillinois.com/services/servicesforseniors**.

AARP Driver Safety Program (55 Alive) – Designed to make seniors, 55 years of age and older, better drivers and provide a reduction in their auto insurance. Participants must pre-register and attend 8 hours of classes in order to receive a Course Completion certificate. An on-line course is also available. There is a fee for the courses. For more information and course locations, dates and times please **contact DuPage County Senior Services at (630) 407-6500 or AARP at 1-888-227-7669**, or **www.aarp.org/families/driver_safety**.

Marianjoy Driver Rehabilitation Program – Marianjoy provides driver evaluation and education for people with disabilities, and the well elderly. Staff members, Licensed Occupational Therapists who are Certified Driver Rehabilitation Specialists, provide a comprehensive physical, visual, and cognitive evaluation of a person's current driving abilities. Based on the evaluation recommendations are made regarding the safest driving options or alternatives. Marianjoy has locations in Oakbrook Terrace and Wheaton. For more information on this program, call **(630) 909-6080** or visit their website at **www.marianjoy.org**.

Optimal Mobility Solutions – P.O. Box 123, Frankford, IL 60423
www.opitmalmobilitysolutions.com

Optimal Mobility has professional licensed and registered physical therapists and Certified Driver Rehabilitation Specialists to help people learn to drive or return to driving after injury, illness or disability. The program provides a clinical evaluation of physical, visual and cognitive skills; behind the wheel evaluation; training in using adaptive equipment and an inspection to insure proper installation of any adaptive equipment on your vehicle. For more information call, **(630) 922-1600**.

The Hartford/Family Conversations With Older Drivers – The Hartford Financial Services Group, Inc. and the MIT AgeLab provide information to help families initiate productive and caring conversations with older adults about driving safety. Suggestions are based on research drawn from national surveys, focus groups with seniors who have modified their driving and interviews with family caregivers and persons with Alzheimer's and dementia. For more information go to: **www.thehartford.com/alzheimers**
