

NATIONAL SKILLS COALITION

Every worker. Every industry. A strong economy.

CT enacts bill to promote cross-agency data sharing

Connecticut recently passed a law codifying its state longitudinal data system and creating a universal intake form for workforce programs to improve data about the state's workforce development efforts.

Check out Workforce Data Quality Campaign's [latest blog post](#) for more details. And for a complete list of all workforce legislation passed in the states this year, check out our [2017 Legislative Roundup](#).
