

NATIONAL SKILLS COALITION

Every worker. Every industry. A strong economy.

It's our final policy scan of the holiday season: alignment policy

Hopefully, you're looking forward to some much-deserved time off this holiday season. Before you go, NSC has one final policy scan that's sure to get you anticipating the 2017 legislative session. NSC's brand new [Alignment Policy Scan](#) finds that twelve states have alignment policies in place. States without an alignment policy can use NSC's [Alignment Policy Toolkit](#) to establish one.

NSC is looking forward to working with you on achieving state policies on [stackable credentials](#), [job-driven financial aid](#), [strong data systems](#), [integrated education and training](#), and [alignment](#) in the new year.

See you in 2017!
