

# NATIONAL SKILLS COALITION

Every worker. Every industry. A strong economy.

## Time is running out! Support National Skills Coalition today

Before you break for the holidays, please join us in taking a minute to reflect on all *your* Coalition accomplished this year. Whether you joined us at the Skills Summit or a BLU fly-in in our nation's capital, attended the multi-state Skills in the States Forum in Nashville, participated in a webinar, took action through an action alert, utilized our many resources and publications, or followed us on Twitter and Facebook, *your* action moved our middle-skills agenda forward at a time when it's needed more than ever. Together,

### CONNECT WITH US

- We helped to secure 6 federal policies benefiting millions of students, workers, and employers.
- We advocated and organized to achieve 12 individual policy changes in different states helping workers and businesses gain the skills they need to compete in a changing economy.
- We mobilized more than 4,700 members of our coalition to speak with their Senators and Representatives about advancing policies that will benefit millions of students, workers and, local businesses across the country.
- We produced 35 publications and spoke at 78 gatherings, educating more than 5,400 advocates.
- We made the case for a skills agenda through 285 stories in the press.

**And now it's time to build upon that success.** [Please take a moment now to make a tax-deductible year-end contribution.](#) Your support now is critical for continued success in 2018.

Once again, thank you for all that you do.

Enjoy the holidays.
