Every worker. Every industry. A strong economy.

Don't miss out! Register for our two upcoming webinars on apprenticeship

Join NSC for two webinars on how states are turning to apprenticeships to prepare a skilled workforce.

The first one, happening tomorrow, **December 6th** will focus on how states can collect and use apprenticeship data to drive better workforce policies and meet their postsecondary attainment goals. The webinar will feature panelists from workforce development agencies based in Iowa and Washington state, as well as the U.S Department of Labor's Office of Apprenticeship.
