

NATIONAL SKILLS COALITION

Every worker. Every industry. A strong economy.

The changed political landscape in Washington creates new challenges for federal investments in job training and postsecondary education. Join us Thursday, February 23 at 2:00 p.m. ET for **Federal Budget and Appropriations Update – What’s In Store for Education and Workforce Funding?** – a webinar where NSC staff will talk with national experts about what’s ahead for the federal budget, and the outlook for critical investments in the skills of U.S. workers.
