

NATIONAL SKILLS COALITION

ACTION ALERT

Join me in telling Congress we can't compete if we cut!

Congress is about to pass a bill to fund the government – including workforce and education programs – at levels that would make it impossible to serve, educate, and train the workers and businesses who rely on our programming. I traveled to DC to [tell my story](#) in person, will you join me and [share yours](#)? It just takes a few minutes, and will help to show Congress that our nation's workers, industries, and economy can't afford further cuts to training and education.

Together, we can make a difference!
