## Urgent! SNAP investments are now at risk in Farm Bill

Earlier this week, we urged you to weigh in with your Senators in support of the bipartisan Agriculture Improvement Act, a Farm Bill reauthorization package that increased investments in SNAP Employment & Training and rejected the expansion of ineffective work requirements. But this important legislation could be derailed by amendments that would impose unnecessary new restrictions on SNAP.

Please write today and tell your Senators to [pass the Farm Bill without harmful changes to SNAP](#).
