# ACTION ALERT

**Action alert! speak out against cuts to workforce, education & training programs**

Last week we emailed asking you to take action and [urge your representative](#) to sign a Dear Colleague letter calling for increased investments in skills. There's still time to speak up.

President Trump recently released his budget proposal for Fiscal Year (FY) 2018 - it calls cuts across the board to vital workforce education and training programs.

You can read NSC's preliminary analysis of the proposal [here](#).
