

Please take two minutes to add your name to this letter for your representative to request funding for workforce development programs! Every letter can make a big difference and hearing from constituents is the most important factor that influences your representative!!

NATIONAL SKILLS COALITION

ACTION ALERT

There's still time! Speak out against cuts to workforce, education & training programs

There's still time to urge your representatives to increase investments in skills instead of cutting them. Earlier this month, we emailed asking you to speak out against [President Trump's budget proposal](#) because it calls for across-the-board cuts to vital workforce education and training programs. So far, hundreds of workforce advocates have done just that – but time is running out to [add your voice to the chorus](#).
