

NATIONAL SKILLS COALITION

ACTION ALERT

Urgent: Can your organization sign this petition?

On Wednesday, there will be a special event on the House floor highlighting the [College Transparency Act \(CTA\)](#) – bipartisan legislation that would create a secure, privacy-protected postsecondary data system at the U.S. Department of Education. The system would provide more students with better information when making critical decisions about their studies and careers. It would also help educators, employers, and policymakers know which postsecondary programs prepare students for jobs.

CONNECT WITH US

Can your organization [join this statement of support](#)? Workforce Data Quality Campaign and Postsecondary Data Collaborative are requesting signatures **by this Wednesday, November 1**. Together we are urging other members of Congress to cosponsor this legislation. We have nearly 100 signatures – but want to surpass that by Wednesday.
