

What's Your Data Story?

Breaking Into Data Analytics

Wednesday, April 29
5:30 to 7:30 p.m.

Student Services Center (SSC),
Room 2201

Join us for a career-focused panel discussion with professionals working in data analytics and business intelligence.

- Learn about the skills employers are looking for.
- Explore career paths and tools.
- Get advice on breaking into the field.
- Engage in a Q&A with panelists.

Seating is limited. Registration is required.
