

Interesting Work that Fits your Busy Schedule

Field Representative / Independent Contractor

RQA, Inc. partners with food, beverage and consumer goods manufacturers to audit the quality of their products at the retail level.

Our projects involve visiting retail locations to gather product information or verify that recalled products are removed from store shelves. Project pay is \$20/hour and includes administration and travel time in addition to the time required to complete the project. Applicants must be 21 years old to apply.

Hours vary based on available projects and locations.
Flexible schedule.
