

This event at College of DuPage is for adults or high school seniors/juniors interested in exploring Data Analytics as a possible career.

Breaking Into the Data Analytics Career Pathway

Join us for a career-focused panel discussion with data analytics and business intelligence professionals.

- They will share about their roles, the ‘day-to-day’ of their job, how Data Analytics is utilized in their company, and the impact made by this skill set.
- Learn about the skills that employers are seeking.
- Explore career paths and tools.
- Get advice on breaking into the field.
- Engage in a Q&A with panelists.

Wednesday, April 29th
