Unemployment insurance benefits are taxable income. If you received unemployment insurance (UI) benefits last year, a [1099-G tax form](https://ides.illinois.gov/unemployment/resources/1099-g1.html) is required to complete your state and federal tax returns. This form shows the UI benefits you received, and any taxes withheld. For more information visit <https://ides.illinois.gov/unemployment/resources/1099-g1.html> . Have additional questions, call 800-244-5631 claimant services.
